This very well maintained second-floor property is situated in a residential complex only a two minutes walk from the beach. The property has two big bedrooms with built in wardrobes, a big 22 square meter saloon, kitchen, and bathroom. It also has a huge private rooftop solarium as big as the property itself, there is water and electricity installed in the solarium. There are double glazed windows, grills installed on windows. In the building, t...(Ask for More Details!)
