This house is located in the center of El Estrecho de San Ginés, right opposite the village church and main square. Amenities, shops, and bars are within walking distance of the property. The house offers 4 spacious bedrooms, 1 walk-in shower room, and 2 kitchens that could easily be joined into one (one is a summer kitchen). It also offers a utility room, an outside storage room, and two internal patios; one partially covered with a tin roof and...(Ask for More Details!)
